Comment:

I have many friends who have had trouble getting ahold of music and images [clips] for their documentaries and short films. I have worked on the sets of many of these projects and have heard their horror stories, although I have never had to go through one myself.

I do hope that when the time comes for me to make my own short film or documentary that it will be much easier to get the 'products' I need that may, or may not, be copyrighted/
