Description:

These are fun culinary-themed animated greeting cards (stop motion show). They're perfect for any occasion, and sure to whet the appetite. Happy fruits and vegetables will, while dancing to the accompaniment of jazzy tunes, prepare your favourite dish or an exotic recipe over the course of just one minute in my colourful cooking show. I, Roman Kanatnikov, am the author and creator of a whole world of culinary-themed animation on Russian TV. For the new FUNNYFRU animated web project, I drew upon my experience working in TV, film, and culinary animation to choose the best ideas, characters, and details.
