Title:

PERSONALITY PSYCHOLOGY (THE GENETIC APPROACH)

Author Name:

S. MAXYMENKO

ID Number:

2140

Address:

Ukraine, Kyiv, Moskovs'ka str., 41/8, 42

Description:

The monograph is devoted to the research of the fundamental problem of modern science - personality psychology. The actual realization of a new methodological position (to understand a personality as an existing and self-developing unit), application of the genetic-modelling method of the research, the substantial analysis of the personality theories and empirical data allow to open essentially new aspects of the consideration of the personality as an object of the scientific study.
