Description

AURA follows Ethan Howe, a highly skilled operative haunted by a troubled past, who becomes part of a dangerous mission involving AURA-7, an advanced artificial intelligence designed for covert operations. As Ethan and AURA-7 uncover a hidden conspiracy, rival forces close in, turning the mission into a deadly struggle for control of a technology capable of changing the balance of power. Alongside Nova James and a team of allies, Ethan must confront betrayal, manipulation, and the consequences of creating an intelligence that may be far more powerful than anyone expected.
